Re: Cornell-Dubilier Pictures

Date: December 28, 1999

Eric,

Here are the pictures from Cornell-Dubilier I put in sleeves. I also have another copy in my office as well as the negatives. I will continue to maintain the site logbook. I will see you on January 03, 2000 for the site walk through. Let me know if you want me to drive us over. Have a happy new year, decade, century and millenium.

Dean
